Dear Mary:

On behalf of the AMTMA, we would like to thank you for your presentation at our recent Spring Association meeting. We received very positive feedback from our members and they responded that the presentation was relevant to their interests and needs and would be useful to them in their current role.

Thank you again for taking time out of your busy schedule to share your expertise at our meeting. We fully recognize that we would not receive such positive feedback from our members without the excellent presentations and stimulating discussions provided by talented individuals, like you.

Regards,

*C. Mark Stockinger*
